

Remote training: Orientation of frontline workers delivering community based mental health and psychosocial support

Koen Sevenants

Technical lead for Mental Health and Psychosocial Support (MHPSS) in the global UNICEF-led Child Protection Area of Responsibility

This training has been made possible thanks to:

LATIN AMERICA &
THE CARIBBEAN REGIONAL OFFICE
(LACRO)

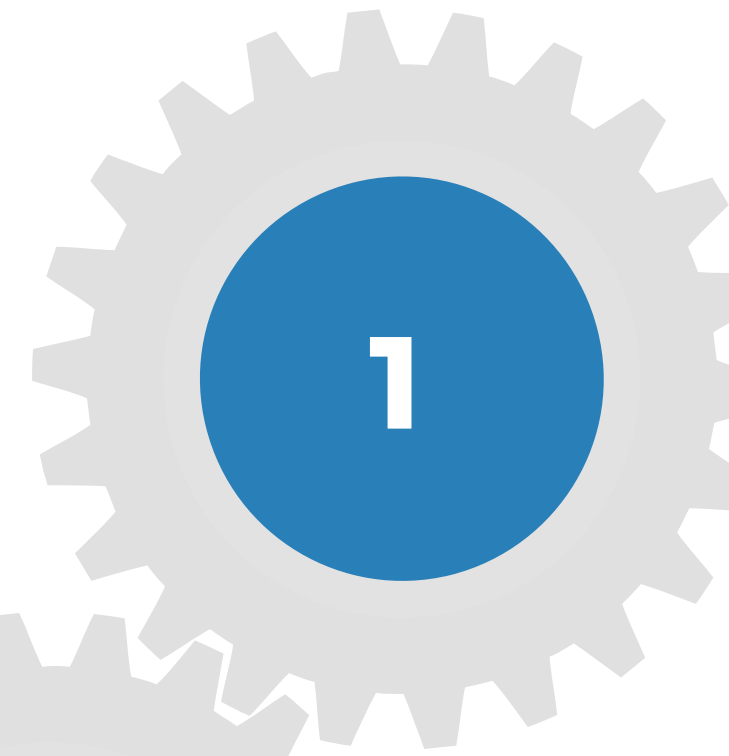

VENEZUELA

The trainers who volunteered to take on a training module

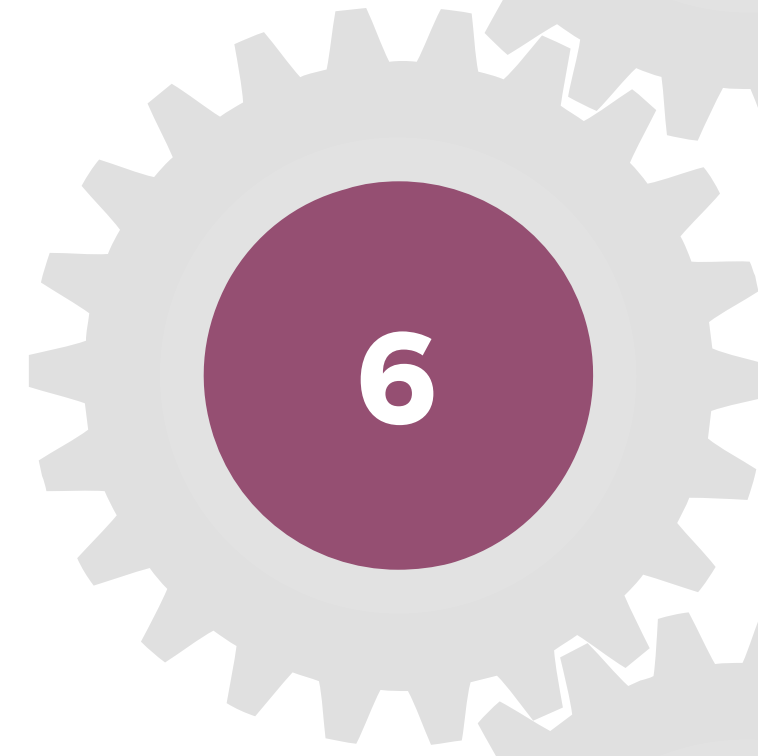

Modules

Introduction to MHPSS

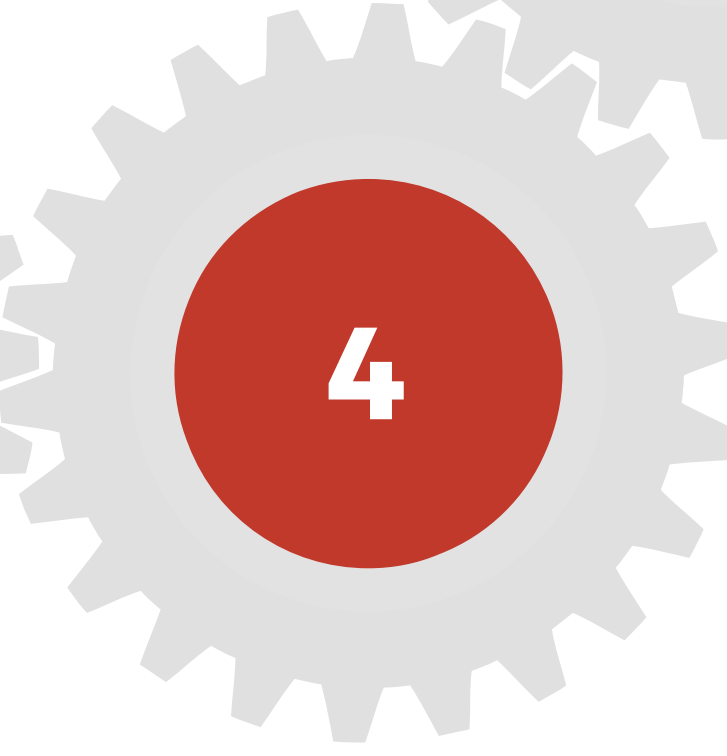

Supporting the Mental Health and Psychosocial well-being of children, adolescents and families

Do no harm

Psychological First Aid

Groups that require special attention

Integration of MHPSS in CM

Happy learning and good luck!
